FURIOUS FLAMES ENCIRCLE CITY

Onway, Mich., in Imminent Danger of Destruction by Forest Fires

FEAR LIVES MAY BE LOST

Hundreds Fight the Fire While Other Residents Move for Safety.

Onway, Mich., April 29.—Forest fires threaten the destruction of the city. In every direction the woods are ablaze. Hundreds of citizens fought the flames last night to keep them from the lumber yards and plant of the Lobdell and Bailey manufacturing company. The lumber camps are surrounded by fire and it is feared that lives will be lost. A high wind from the southwest prevails.

Log trains were kept busy all night bringing in people rescued from the fire along the tracks. Residents of the south part of the city are moving for safety. The smoke is so dense as to be suffocating and the sun's rays glow dimly through it, casting a yellow shadow. Burned cinders and charred embers fill the air. Unless rain falls tonight the result will be serious.

SQUADRON AT MARSEILLES.

Marseilles, April 29.—The United States European squadron arrived here today from Villefranche and exchanged salutes with the forts. In spite of the stormy weather large crowds flocked to the wharves to witness the arrival of the squadron, which consists of the flagship Chicago, the Albany, the Cincinnati and the Machias. The governor of the port boarded the Chicago, greeted Rear Admiral Cotton and assigned the American warships to an advantageous position in the harbor to take place in the ceremonies planned for the arrival here tomorrow of the French fleet escorting President Loubet.

THINK PRESIDENT WILL VISIT FRANCE

Paris Newspapers Assert Col. Roosevelt is to be Guest Next Year.

Paris, April 29.—The Patrie yesterday printed a dispatch from Marseilles quoting United States General Skinner as saying that President Roosevelt, accompanied by a squadron of warships, would visit France next July.

Mr. Skinner, replying to a dispatch from the Associated Press' Paris correspondent yesterday, said the announcement attributed to him by the Patrie was absolutely groundless.

Although Mr. Skinner's alleged remark was not taken seriously at the time other newspapers took the matter up and today the papers continued to assert that President Roosevelt will visit France in July and a news agency sent out a dispatch saying that A. A. Adee, the second assistant secretary of state of the United States, had arrived at Cherbourg, on his way to Paris, to arrange the details of the presidential visit.

TO FORM POLO LEAGUE.

Indianapolis, April 29.—Special.—D. S. Eckart, of Fort Wayne; J. R. Page, of Marion; W. F. Stinson, of Alexandria; C. A. Urban, of Danville, Ill.; J. G. Powell, and H. E. Wilson, of Logansport and O. E. Bronson, of Terre Haute, met here this afternoon with William Foor, proprietor of the Imperial hotel of this city, to form a new polo association. Foor will have the Lafayette franchise in the new league. The promoters are enthusiastic over the prospects. Will attempt to get crack eastern players and have started negotiations with several old western league men.

The Independent Rubber company has of late been receiving a number of orders from Canada, and recently received an order for a heavy bill of goods from a firm in Valleyfield, Que.

EAST JEFFERSON GETS INTO LINE

Will Share Paving Honors With Broadway and East Creighton Avenue

COUNCIL PROVIDES CASH

City Council Pays Tribute to Late Ex-Mayor Oakley—City Hall Notes.

The city council met last evening in regular session with every member present and the mayor and clerk at their desks. It was the last regular meeting of the council as now constituted and the closing session was signalized by the passage of an ordinance which many persons think should have been passed months ago. The ordinance was for the appropriation of sufficient funds to provide for the paving of Broadway to a point several squares south of Creighton avenue and for the paving of East Creighton avenue.

The proposition was inaugurated by the reading of a request from the board of works, endorsed by the recommendation of the comptroller, asking for an appropriation of $12,500 from the general fund and $2,400 from the public grounds and building fund for the purpose of paying the city's assessments for street intersections and frontage on Broadway at McCulloch's park and in front of engine houses and other city property. The report of the comptroller was concurred in without dissension, but later when the ordinance was introduced for the appropriation, Councilman Ehrman presented another communication from the comptroller, asking for $1,200 for intersections on East Jefferson street, between Lafayette and Hanna, and asked to amend the ordinance to provide for the additional sum. Councilmen Baade and Hosey supported Mr. Ehrman's amendment, holding that the East Jefferson street pavement was not a new proposition to the council and had been regularly presented by petition a long time ago. Mr. Lennon offered a mild objection, and Mr. Scheid said that if the appropriations were to be made general, he would like to see some streets in his ward paved. When the motion on Ehrman's amendment was put Mr. Lennon voted no, but on the final motion to suspend the rules and pass the ordinance there was not a negative vote.

An ordinance to regulate the running of trains through the city and requiring railroads to maintain watchmen at all crossings where more than one train is run between the hours of 9 p. m. and midnight, was passed, Mr. Scheid voting in the negative. Mr. Scheid also introduced a resolution requiring the health commissioner to file a report of an analysis of water taken from the city mains at least once a month, which resolution was adopted.

The committee on resolutions appointed at the special meeting of the council reported appropriate resolutions on the death of ex-Mayor Oakley, which, on motion of Mr. Bauer, were adopted by a rising vote. The resolutions are set out in full below. The council then adjourned, the members lingering about the lobbies for some time, bidding each other good bye and wishing the candidates for re-election success. Of the present members who are certain to retire there are nine, led by Peter J. Scheid, of the Seventh ward, who is not a candidate for re-election and steps down and out after over twenty years of continuous service. Borkenstein, of the Tenth, is the next oldest member in years of service, followed by Ehrman, Hosey, Glenn, Zurbach, Gerding, Griebel and H. C. Baade.

CITY HALL NOTES.

There was not much activity about the city hall today, but the ambassadors of the various paving concerns are working overtime endeavoring to get signatures to petitions to induce the board of works to change their selection of material. According to the law the board must grant five full days to the property owners before contracts are let, and, therefore, according to the almanac, the time for protests and petitions would expire at midnight on Sunday. The board has decided, however, that inasmuch as the fifth day falls upon Sunday, that day will not be counted and remonstrances or petitions will be received up to midnight of Monday next. On Tuesday morning at 8 o'clock the contracts will be awarded.

George Spangler has been granted a permit to erect a house on Calhoun street, at a cost of $800; S. F. Swayne, house on Herman street, $800; Frederick Pageler, addition to house on Montgomery street, $400.

PIONEER STONE CONTRACTOR DIES

Ferdinand F. Tapp Succumbs After Long and Very Active Career

WORK WAS EXTENSIVE

Constructed First Sewer in Fort Wayne and Did Much for Pennsylvania Co.

Ferdinand F. Tapp, long a prominent resident of Fort Wayne and one of the pioneer stone contractors of the city, died at 10:30 o'clock this morning at his home, 1121 Ohio street, at the advanced age of seventy-five years.

Death was due to asthma, from which Mr. Tapp had been a sufferer for many years, though it was not until about a week ago that his illness assumed a more serious form, and the aged man was compelled to take to his bed. Until almost the last, however, Mr. Tapp was able to be up a portion of the time.

FERDINAND F. TAPP,
Pioneer stone contractor, whose death occurred today.

Mr. Tapp was for many years a leading figure in contracting circles of the city, his work covering a wide range of construction. Advancing age and impaired health led him, however, to retire from active business life eight or nine years ago, when he was succeeded by his son, and since that time the aged man has been living in quiet enjoyment of the fruits of his years of vigorous activity.

IN PRUSSIAN ARMY.

Mr. Tapp was a native of Germany, born near Berlin, May 5, 1828, and lacked, therefore, but a few days of reaching the completion of his seventy-fifth year. He served in the Prussian army in his native country and during his young manhood learned the trade of stonemason and bricklayer. He emigrated to America in 1845, locating in Chicago.

Here he assisted in the building of the stockyards and packing houses, including the banking houses in the stockyards, which formed the nucleus around which the present immense stockyards district sprang up. Mr. Tapp located in Fort Wayne about thirty-eight years ago and this city had been his home continuously since that time.

For thirty-five years he was engaged as a contractor with the Pennsylvania railroad and there is hardly a bridge upon the Pennsylvania system between Crestline and Chicago for which Mr. Tapp did not install the stone abutments. His work in this department has been far more extensive than that of any other individual contractor before or since his service with the company.

BUILT FIRST SEWER.

Mr. Tapp was also the pioneer in the construction of sewers in the city of Fort Wayne. He it was who built the Baker street sewer years ago, replacing the old creek which ran through that portion of the city in pioneer days. This was the first of the more pretentious sewers constructed in Fort Wayne.

The other work of the veteran contractor is also extensive, including the court house at Cassopolis, Mich., the foundations for many churches and other large buildings in this section of the state. Mr. Tapp's last pretentious work was the building of the waterworks system at Piqua, Ohio, completed eight or nine years ago. He was the superintendent of construction at the time the Concordia college buildings were erected.

Mr. Tapp was in all respects a substantial and most estimable citizen, universally held in the highest regard. His life was a long, active and useful one, and he was a splendid type of the sturdy, loyal, upright citizenship which has contributed so largely to the growth and prosperity of Fort Wayne as a city. Mr. Tapp had been a member of the Masonic fraternity for a quarter of a century and was high in Scottish rite circles.

The surviving relatives include the widow, Mrs. Wilhelmina Tapp; a son, Herman W. Tapp, also a well known contractor, and two daughters, Mrs. Bertha Stoll and Mrs. Minnie McKee, of this city.

Announcement of the funeral service will be made later.

BRITISH MONARCH CALLS ON POPE LEO

In Closed Carriage He Drives to the Vatican—No Public Demonstration.

Rome, April 29.—King Edward today reviewed 25,000 Italian troops assembled on the parade ground. It was an imposing spectacle and splendid weather contributed to the brilliancy of the scene.

King Edward left the British embassy for the Vatican during the afternoon in a closed carriage, accompanied by Colonel Lamb, the British military attache, and followed by another carriage containing members of his suite. The king wore a field marshal's uniform. He had no escort, except some policemen in plain clothes, and no troops lined the streets, in contrast with what was done at the time of Emperor William's visit to the pope. People gathered on the streets and looked on with curiosity, but they abstained from any demonstration. It was also remarked that, contrary to the usual etiquette, King Edward did not lunch at the British embassy, but had luncheon at the quirinal instead, and after a brief stop at the embassy, drove to the Vatican.

Thus far did King Edward give way to the Vatican desires. The carriage in which the king drove to the Vatican did not belong to the quirinal, as a carriage of the king of Italy could not go within the precincts of the apostolic palace.

The open meeting under the auspices of the Machinists' union in the city hall assembly room last evening, was well attended. P. J. Conlon, vice president of the national body made an address, and was the guest of honor at a smoker in Machinists' hall afterward.

SEVENTY KILLED BY EARTHQUAKE

Frightful Disaster Reported from the Northwest Territory

COAL MINE WIPED OUT

Disaster Occured at Frank and Details Have Not Been Obtained.

Spokane, Wash., April 29.—A private dispatch from Frank, N. W. T., states that a terrible earthquake has occurred there, wiping out a mine and killing seventy people.

Frank is a few miles east of Fernie, B. C., where the terrible explosion occurred a few months ago.

About two years ago H. L. Frank, of Montana, began developing the coal field, driving in a tunnel for about two miles. Above this tunnel the coal was stoped out for nearly a hundred feet. It is supposed here that the earthquake has crushed in the walls of this stope, imprisoning the miners. The output of Frank's mine is estimated at 500 to 1,000 tons of coal per day.

CALL ON KIST TO EXPLAIN AGAIN

Sidney Man Under Second Charge of Illegal Selling of Intoxicants.

For the second time within a few weeks, Jacob Kist, an aged man who operates a general store in the little town of Sidney, Kosciusko county, is under arrest upon a charge of selling liquor without first paying the government tax.

Kist is in custody of a deputy United States marshal en route to this city, where he will have a preliminary hearing before Commissioner Logan this evening. Assistant District Attorney Nichols, of Indianapolis is in the city to conduct the prosecution.

The accused man, who is nearly 70 years of age, was in court a short time ago upon a similar charge, but the government failed to make out a case, and he was discharged. The affidavit upon which he was arrested today was sworn out by Jasper A. Gantt, a deputy revenue collector at Marion.

CITY BREVITIES.

W. D. Jones, of the New Aveline hotel, is home from a business trip to Crawfordsville.

The Misses Buena and Juanita Bennett, of Anderson, are guests for a few days of Dr. and Mrs. J. S. McCurdy.

The Woman's Relief corps will hold a flag service Thursday afternoon at 3:30 at the home of the late Mr. Angevine, 2012 Force street.

The members of the Friendship Thimble club will be entertained by Mrs. Harry Austin at the home of Mrs. Wills, 118 East Pontiac street, Thursday, from 2 to 5 p. m.

The Ladies' Aid society of Wayne street M. E. church will give their annual 6 o'clock dinner in the church parlors Thursday evening, from 5 to 8 o'clock.

RUSSIA FLATLY DENIES REPORTS

Disclaims any Intention to Secure Privileges in Manchuria

NOTE TO SECRETARY HAY

Important Intelligence Has Come from the Russian Government.

Washington, April 29.—The state department has received a dispatch from Ambassador McCormick, at St. Petersburg, to the effect that the Russian minister for foreign affairs, has assured him that the published reports of the proposed convention between Russia and China relating to Manchuria are absolutely incorrect and that there is no foundation for the report that Russia demands that China shall refuse the requests of other powers for treaty ports and consulates in Manchuria. He has been assured that the Russian government has no intention to exclude other countries from advantages now enjoyed in Manchuria or to confer exclusive privileges upon Russians; that the United States may be sure that nothing will be done to close doors now open and that American commerce and American capital are those which Russia most desire to attract. It is understood also that similar assurances were received by the secretary of state from his excellence, the Russian ambassador, yesterday afternoon.

Sir Michael Herbert, the British ambassador, called on Secretary Hay this morning and was acquainted with the nature of the report made by Mr. McCormick and it is presumed that he had similar advices from his own government. Baron Von Sternburg, the German minister, in company with Baron Scheller, the new second secretary of the German embassy, also called at the state department, and he, likewise, was advised of the latest developments in the case. These advices have done much to remove the feeling of anxiety and apprehension which was aroused in Washington by the first reports from Peking of Russia's intention to dominate Manchuria. The officials are glad to take the Russian disclaimer just as it comes, without stopping to raise any point as to whether there has not really been a complete change in the Russian demands, rather than an error in the original statement from Peking. There is no disposition to be hypercritical, but the fact that nothing is said about Russian evacuation according to the original treaty will of course justify our government in keeping close watch on North China, Mongolia, as well as Manchuria.

RUSSIA ISSUES A NOTE.

St. Petersburg, April 29.—A semi-official note on the subject of Russian policy towards Manchuria, just issued, characterizes the demands ascribed to Russia in the dispatches from Peking as being simply inventions, as already cabled to the Associated Press on the authority of the Russian foreign office.

"No change has occurred," says the note, "in the intentions of Russia with reference to Manchuria. The exchange of views about to occur between the Russian minister and the Chinese government can relate only to the measures to be adopted for ensuring the preservation of order and tranquility after the Russian troops have marched out of the province.

"Russia has absolutely no intention to place impediments in the way of foreign trade."

REPORTS PRONOUNCED FALSE.

Paris, April 29.—Count Lamsdorf, the Russian foreign minister, has advised the authorities here that the recent reports of Russian designs on Manchuria were unwarranted and false. He says Russia is now taking steps looking to the military evacuation of Manchuria and desires, previous to the evacuation, to secure reasonable assurances of the preservation of order and the protection of her interests. The note says M. Lessar, the Russian minister to China, is now in St. Petersburg, but owing to his illness he has not yet had an audience of the czar or received his instructions. It is not expected that M. Lessar will be received in audience for three weeks, and until this occurs no definite determination will be arrived at as to the course to be pursued.

Summing up the foregoing the officials here say it clearly shows that efforts are being made in quarters antagonistic to Russia to excite American feeling against Russia. It is also said that General Kuropatkin, the Russian war minister, who left St. Petersburg yesterday on a special train for Manchuria, has instructions of a conciliatory nature.

ALMOST READY TO DEDICATE FAIR

St. Louis Gathering Point For Dignitaries From All Points

GOV. DURBIN TO BE THERE

President Roosevelt, Former President Cleveland and Others En Route.

St. Louis, Mo., April 29.—This morning the residents of St. Louis in general and the managers of the world's fair in particular were given their first experience of the conditions that will confront them during the remainder of the week. Passenger trains by the score rolled in all morning, and militiamen and regulars, governors and governors' staffs poured through the gates in what seemed a never-ending stream. The visitors who wore no gold lace and came merely to see arrived by the tens of thousands. It was the first of the coming rush and it came like a tidal wave. St. Louis faced the situation nobly, however, and everybody was cared for promptly. All the distinguished guests were met by escorts and conducted to quarters previously set apart for their comfort and entertainment. Those of the multitude who had made no previous arrangement for rooms were compelled to hunt for what they wanted, as the hotels were crowded to their utmost capacity and the late arrivals had to take to the boarding houses. Bureaus of information, however, provided quarters as fast as possible for all who applied to them.

ROOSEVELT TO BE BUSY.

President Roosevelt will have a busy time after his arrival. His train is due at 4:10 this afternoon and between that hour and 9 o'clock he was scheduled to eat one dinner and deliver three addresses. He is on the program to speak first at the good roads convention within twenty minutes after his arrival. At 5 o'clock he will be at St. Louis university for his second speech and at 6 o'clock he will be driven to the home of President David R. Francis for dinner. At 9 o'clock he will address the Franz Sigel Monument association at Music hall, Thirteenth and Olive streets.

Ex-President Cleveland is expected to arrive over the Baltimore and Ohio Southwestern at 5:20 this afternoon. He will be met by a committee representing the exposition company and will be the guest of President Francis, of the fair, during his stay, in whose home President Roosevelt will also stay.

DISTINGUISHED GUESTS.

The distinguished guests were coming through all the afternoon. Governor Vansant, of Minnesota; Governor Cummins, of Iowa, and Governor Mickey, of Nebraska, arrived early in the afternoon, and Governor Cummins in particular was attended by a staff sufficiently numerous to make up a squadron of cavalry in itself.

Cardinal Gibbons, who is to deliver the invocation at the dedication ceremonies tomorrow, arrived late last night and was driven to the residence of Archbishop Kain, whose guest he will be for the remainder of the week.

Governor Odell, of New York, came in this morning, attended by his staff. Following him closely came a special train bearing a squadron of cavalry, a provisional division of the naval militia and a provisional regiment of infantry, all from New York. In addition to the troops from New York, the following troops arrived during the day:

One provisional regiment and band, 1,000 officers and men, from Ohio; four regiments from Missouri, 3,000 officers and men; one regiment and band from Iowa, 850 officers and men; one regiment and band from Illinois, 1,000 officers and men; one battalion and band from Oklahoma, 200 officers and men; one battalion and band from Louisiana, 200 officers and men.

Governor Durbin, of Indiana, with a staff of fifty people, is expected this evening.

General Gomez, of Cuba, was to arrive at 7 o'clock this morning, but it was three hours later when his train came in. He was given a hearty welcome at the depot by a reception committee and escorted to the Planters' hotel.

At 2 o'clock this afternoon at the home of Rev. E. W. Allen, pastor of the West Jefferson street Church of Christ, occurred the marriage of Mr. Sim Norwald, of Ossian, and Miss Nellie Frank, of this city. The groom is a jeweler in Ossian and the couple will reside in that place.

A MILD CASE

Of Contagious Blood Poison never existed. It is always bad, though sometimes no external symptoms of the disease appear for a long time.

Because the disease is slow in developing does not indicate that the case is a mild one, for the poisonous virus at work in the blood and system may be spending its force upon some internal vital organ while you are looking for external signs. Contagious Blood Poison does not affect all alike. In most cases the first little sore is quickly followed by painful swellings in the groins, a red eruption upon the body, sores or ulcers in the mouth and throat, unsightly copper colored blotches, loss of hair and eyebrows and other symptoms of this miserable disease. When the poison is thus fighting its way to the surface, exposing the disease in all its hideousness, we call it a bad case; but Contagious Blood Poison, whether working internally or externally, is a dangerous, treacherous disease.

S. S. S. is the only remedy that cures Contagious Blood Poison thoroughly and permanently. It is an antidote for the deadly virus that produces the awful eruptions, sores and ulcers, and destroys the bones. Mercury and Potash dry up the skin eruptions, but in so doing drive the poison further into the system, where it slumbers for a time, but comes back again with redoubled fury.

S. S. S. is a vegetable remedy that has been used successfully for years in treating this vile disease and cures it in all stages and forms. If you have the slightest symptom; an occasional sore mouth, or muscular and bone pains, your blood is tainted and the disease is liable to break out again at any time.

A course of S. S. S. will remove every trace of poison and at the same time build up your general health.

MUCH ACTIVITY IN MATRIMONIAL MARKET

A Number of Quiet and Pretty Weddings Celebrated Tuesday and Today.

Scheibe-Roth—Miss Emma, daughter of Mrs. Susan Roth was united in marriage yesterday to William Scheibe, of Chicago, Rev. J. H. Bosch, of St. John's Reformed church officiating. The house was very prettily decorated with palms, carnations and ferns by Mrs. Auger. Mr. and Mrs. Edward Herrlinger, of Cincinnati, were the attendants. In the parlor where the ceremony was performed, pink and white carnations and palms were used in decoration. The Mendelssohn wedding march was played by Miss Ehle as the couple entered the parlor and "The Flower Song" and "Narcissus" during the ceremony. The bride wore a traveling gown of blue cloth, trimmed with white broadcloth and fancy buttons. The wedding breakfast was served by Seidel, the bride's table being done in pink and white roses. Mr. and Mrs. Scheibe went to Chicago where they will begin housekeeping. Only relatives were present, the out of town guests being Mrs. William Scheibe, of Chicago, and the attendants.

Spanley-Jansen—Miss Mary Jansen and Louis Spanley were united in marriage at St. Peter's Catholic church at 9 o'clock, Rev. Thomas F. Jansen, of Michigan City, a brother of the groom, officiating.

Griebel-Hauck—Miss Augusta C. Hauck and Dr. Herman Griebel were married last evening at 7:30 at the home of the bride's father, Prof. John J. Hauck, Rev. Joseph Kroll, of St. Paul's church, officiating. The Misses Carrie and Margaret Hauck were the attendants. A supper followed the ceremony. Dr. and Mrs. Griebel have begun housekeeping at 929 Columbia avenue.

Reiter-Koenig—Miss Louis Koenig and Charles Reiter were united in marriage last evening by Rev. Philip Wambsganss, of Emmaus church, at the home of the bride, the wedding guests being a few close friends of the young people. Mr. and Mrs. Reiter will begin housekeeping soon in a new house on Park avenue, which is nearing completion.

SCIENCE SETTLES IT.

Dandruff is Caused by a Germ That Saps the Hair's Vitality.

It is now a settled fact that dandruff is caused by a germ. Falling hair and baldness are the result of dandruff. Dr. E. J. Beardsley, of Champaign, Ill., got hold of the new hair preparation, Newbro's Herpicide—the only one that kills the dandruff germ. He says: "I used Herpicide for my dandruff and falling hair, and I am well satisfied with the result." Dr. J. T. Fugate, of Urbana, Ill., says: "I have used Herpicide for dandruff with excellent results. I shall prescribe it in my practice." Herpicide kills the dandruff germ. Physicians as well as the general public say so.

BEAM GUILTY OF MURDER.

Valparaiso, Ind., April 29.—Coroner Carson in a verdict rendered yesterday holds Truman Beam responsible for the death of Miss Martha Lawrence of this city, found dead at the home of Silas Beam last Friday morning. Beam will be given a preliminary examination today. Beam is breaking down under the strain and officers believe he will make a confession. When the coroner's verdict was read to him he wept like a child and said: "I would serve a long term in the penitentiary if it would clear me."

GENERAL ORDINANCE NO. 207.

An ordinance providing for the issuance of building permits, and other matters in relation thereto.

Section 1. Be it enacted by the common council of the city of Fort Wayne, that it shall be the duty of the board of public works of the city to grant a permit to any person, company or corporation, or to the contractor acting for any person, company or corporation, to build houses or additions thereto, located upon any lot, lots or parcel of land within the corporate limits of the city, provided, however, that no permit shall be issued by the board for the erection of any building or additions thereto, unless the kind and character of the structure or additions thereto complies with other ordinances now in force or that may hereafter be enacted in relation to fire limits and character of building permissible therein.

Section 2. It shall be unlawful for any person to build, or cause to be built, any building or to alter or substantially repair any building without first receiving a permit from the board of public works. A separate permit shall be issued for each and every building erected or repaired, and the person receiving the same shall pay to the city comptroller the sum of fifty (50) cents for each and every permit so received.

Section 3. Whenever any person shall be desirous of erecting, repairing or altering any building, such person or contractor therefor shall make application to the board of public works for a permit; such person shall furnish a written statement to such board of the proposed location, the foundation and dimensions of proposed building, the principal material to be used therein, and the probable cost thereof; upon such a statement being filed a permit shall be issued, unless prohibited by other ordinances of the city.

Section 4. All permits under the provisions of this ordinance shall particularly specify the space to be occupied by building material in any public street immediately fronting the premises where such proposed building is to be erected, provided that such space is required; provided, however, that in no case shall a permit include the right to use in any such case more than fifteen feet of any street, measuring from the center thereof to the outside edge of the sidewalk fronting such proposed building, and provided, further, that no permit shall be issued granting any right to place any material whatever in any street or alley in such manner as to wholly obstruct the public use of same, or prevent the water flowing in and along such street or alley, and provided, further, that in cases where any excavation is made by virtue of and under any permit granted under the provisions of this ordinance, such excavation shall, in case the same is in, upon or under any sidewalk, be securely and safely bridged and protected with red lights at each end in the night time. It shall be unlawful for any person to deposit building material of any kind within the limits of any street without first obtaining a permit from the board of public works.

Section 5. Any person or any contractor acting for any person violating any provision of this ordinance shall on conviction pay a fine of not more than twenty-five dollars ($25.00) and every day that any of such persons or contractors prosecute the work without obtaining a permit, shall constitute a separate offense with like penalty.

Section 6. This ordinance to be in full force and effect from and after its passage, approval by the mayor and legal publication.

GENERAL ORDINANCE NO. 208.

An ordinance amending sections one (1), two (2) and three (3) of an ordinance entitled, "An ordinance relative to the taxing of dogs, and repealing General Ordinance No. 35, relating to same subject," approved August 14, 1900.

Section 1. Be it enacted by the common council of the city of Fort Wayne, that section one (1) of the above entitled ordinance be amended to read as follows:

"That every person residing within the corporate limits of the city of Fort Wayne, owning, harboring, possessing or caring for any dog, on the first day of April of each year hereafter, shall pay to the city of Fort Wayne the following taxes on each dog so owned, in the manner as hereinafter provided: For each male or spayed female dog, one dollar ($1.00); for every additional male or spayed female dog, one dollar and a half ($1.50); and the sum of two dollars ($2.00) for each female dog (unspayed) so owned, harbored or cared for."

Section 2. That section two (2) be amended to read as follows:

"It shall be the duty of the township assessor of the townships included within the limits of the city of Fort Wayne at the time of assessing the property of each property holder of his township residing within the corporate limits of the city, to make diligent inquiry as to the number of dogs owned, harbored, kept or cared for by the person so assessed. Any such person so assessed shall pay to the said township assessor for the city of Fort Wayne the sum of one dollar ($1.00) for each male or spayed female dog, and the sum of one dollar and a half $1.50) for each additional male or spayed female dog; and the sum of two dollars ($2.00) for each female dog (unspayed) so owned, harbored or cared for."

Section 3. That section three (3) be amended to read as follows:

"The township assessor shall give to each person a receipt for such money paid him, which shall be designated as city dog tax, which receipt shall show the person's name who owns, harbors or keeps a dog, the amount paid for, and whether male or female, and the number of each, which receipt shall relieve the person or persons owning, keeping or herboring such dogs for the current year, extended one year from its date until the next regular township assessment. Such township assessor shall keep a record of the person or persons owning dogs and the record of the dogs paid for, and he shall keep a sub record for a copy of the receipts given by him for money paid him for dog taxes. Such stub record shall show the amount paid him, the number of dogs, both male and female, paid for, and the persons' names owning the dogs so paid for. And he shall within five days after the completion of the assessment of his township, turn over to the comptroller of the city all the records kept by him relating to the collecting and payment of dog taxes, and a copy of all receipts given by him to persons having paid him money as city dog tax, and all money received by him as city dog tax. The said township assessor, as payment for services to city rendered, shall receive fifteen per cent. (15) of the taxes collected, and to be paid by the comptroller at the time and out of the money turned over to the said comptroller by said assessor.

Section 4. This ordinance to be in full force and effect on and after its passage, approval by mayor and legal publication.

CAUSE OF SMALLPOX FULLY DETERMINED

Dr. Councilman, of Harvard, Announces Discovery of the Disease Germ.

Boston, April 29.—At a meeting last night of the Boston Medical society Prof. William T. Councilman, of the Harvard medical school, made a formal announcement of the discovery of the specific cause of smallpox. It was contained in the following words:

"The announcement of the discovery of the cause of the disease of smallpox is based on the results of the experiments conducted by myself, George Burgess Magrath, Walter Remsen Brinkerhoff, and with the co-operation of the Boston board of health. It was determined that the disease is due to a micro-organism representative of the lowest form of animal life. This fact serves to relate the disease of smallpox with malaria, and to distinguish it from many other infectious diseases caused by minute forms of vegetable life known as bacteria."

MANNER OF DISCOVERY.

Prof. Councilman then went into an elaborate and purely technical exposition of his discovery and the manner in which it was arrived at. He explained that the extraordinary epidemic of smallpox in Boston winter before last gave an unusual opportunity for the investigation of the disease, the Boston board of health placing at the disposal of the investigators every possible facility in the way of specimens from the skin of infected persons, and opportunity of watching the progress of disease in patients.

Prof. Councilman related how he came to the conclusion that the cause of the disease resided in the skin of the infected persons, extending its effects from that location. Microscopic examination of dozens of patches of skin from different persons in various stages of infection revealed the presence in each one of a micro-organism or protozoa, and this was determined to be the specific "germ" sought.

Next a long series of carefully guarded experiments were made on animals known to be susceptible to the disease of smallpox, such as rabbits, etc. These experiments were for the purpose of settling definitely the question of the suspected character of the micro-organism. In every case the introduction of these protozoa into the skins of the animals produced unquestionable evidence of smallpox infection. It was thereupon deemed certain that the discovery was genuine and capable of proof, and the announcement of last night was the result.

AID TO MEDICINE MEN.

Prof. Councilman did not attempt to go into a discussion of the relation of his discovery to the determination of the exact causes of other diseases, but he plainly intimated that it would be only a question of a short time when such kindred diseases as scarlet fever, chickenpox and measles will be vastly better understood and the specific causes known. All this, he added, could not but be of the widest importance to medical men, and these discoveries, too, will inevitably lead to the finding of remedies. Indeed, the search for an antitoxine for smallpox is already begun. But the greatest importance of the discovery will be the possibility of certainly diagnosing the disease much earlier than has heretofore been possible. In the case of smallpox, especially, this will be of the greatest value.

After the reading of the paper Gary N. Calkins, professor of zoology in Columbia university, who was present by special invitation of the Boston society, rose and said that Prof. Councilman's discovery was of international importance and that to America now belonged the credit of the greatest medical achievement since the discovery of the use of ether as an anaesthetic by Dr. Morton, of the Massachusetts general hospital, in Boston. He said there could not be the slightest doubt of the character of the discovery, and he warmly congratulated Prof. Councilman and his associates.

OFFICERS ARE ELECTED.

The annual meeting of the Fortnightly club was held last evening at the home of Mr. and Mrs. Max B. Fisher and the following officers were elected: President, C. R. Lane; vice president, Mrs. Max Fisher; secretary and treasurer, Dr. G. M. Leslie. Mrs. Walter Olds, Miss McPhail, Dr. Bulson and Colonel Robertson form the executive committee. The club will have a picnic, followed by a dance, instead of a banquet this year. Colonel Robertson, the retiring president, was tendered a vote of thanks for his faithful and earnest work in the interest of the club. Mrs. Walter Olds and Lieutenant Governor Gilbert were appointed delegates to the meeting of the Indiana Union of Literary clubs. Alternates voted upon and accepted were Miss Lucile Porter and S. M. Foster.

BASEBALL

The Central league season opens tomorrow with the north playing against the south in the south. The Central league, as all others, is in two divisions, South Bend, Fort Wayne, Marion and Anderson forming the north division and Wheeling, Evansville, Dayton and Terre Haute the south.

The southern sisters have made great arrangements to start the season off with a boom and parades, brass bands, mayors and ladies will be features all around. Fort Wayne will open at Evansville, South Bend at Terre Haute, Anderson at Dayton and Marion at Wheeling.

The Fort Wayne team, constituted as stated in last evening's Sentinel, will leave via the Wabash at 5:43 this evening, arriving at Danville about 10 o'clock and at Evansville about 2 o'clock a. m. The Fort Wayne management expresses great satisfaction in the selection of material and Captain Myers says that if he can come back home with four games to his credit, he will be more than gratified.

GREAT EARLY INTEREST.

The attendance at base ball games at this early period is something remarkable, as well as unprecedented. When the fever reaches a point that brings the fans to the benches in tens-of-thousands-lots, there is certainly something doing and the well equipped sporting writers of the metropolitan cities predict that 1903 will be a record breaker several times over. Yesterday's games in the leagues already doing business did not develop anything sensational. There is a sort of a quiet satisfaction expressed all around though, that Pittsburg has struck a losing gait and will have to keep busy in their own back yard to get up to the front again. Pittsburg is not popular among the fans.

Those interested locally have noticed that Charlie Babb has not been in the game at all for several days with the New York club and that "Chick" Stahl, of the Boston Americans, is also on the absent list. Stahl is in the hospital department and nobody seems to be able to account for Babb.

WILL BE MEMORABLE.

(Central League Inter-change News Service.)

Evansville, Ind., April 29.—It is a remarkable fact that during all the years Evansville has been in professional ball—and she has been a member of several leagues during that time—the team representing this city has always opened the season at home. There seems to be no particular explanation for this arrangement. There was much local speculation before the present schedule was adopted to see where Evansville would begin the playing season, and when it was given to the public this city was booked for an opening game at home.

If the weather is warm and the sun shines tomorrow the opening game of the season will be made a memorable affair. It will be accompanied with all the boom and display that is possible to give. A band has been engaged to traverse the city in a street car during the day and advertise the opening of the championship season. Between 1 and 2 o'clock the players of both the Fort Wayne and Evansville clubs will join in a parade through the principal business streets.

Beginning at 2:30 o'clock a band concert will take place at the ball park, and at 3:30 the band will march on to the diamond, heading the players of the two teams. After the latter have lined up at the home plate and the band plays a patriotic air, President Bement, of the Central league, and also at the head of the Evansville club, will walk into the diamond and make a short address to the players and umpire. As the band again plays the members of the two teams will take their places for regular play and Mayor Covert will then walk into the diamond and pitch the first ball over the plate and declare that the championship season of the Central league is about to begin. He will express the hope that success may attend the new organization. Umpire Cline will yell "play ball," and the fight for a rag will begin in earnest. A great crowd is expected to be present.

Outfielder Knox was told not to play in Saturday's exhibition game and in the evening Captain News made the announcement that Knox had jumped to an independent team at Wilmington, N. J. Knox is considered a good man and there is much regret that he has taken his leave.

WHEELING CONFIDENT.

(Central League Interchange Special.)

Wheeling, April 29.—The Wheeling team faces the fray tomorrow with confidence in the ability of the new Stogies to defeat the Marion aggregation in the face of two discouraging propositions—first, that the Marions are admittedly one of the strongest teams in the Central league and, second, that the locals will not respond at the drop of the flag in the best of condition. The Ohio river water has played havoc with the players, owing to most of them having come from distant sections of the country where they were accustomed to drinking "hard" water, while here the "soft" article has the call everywhere. Probably it would have been a paying investment for Manager Kain to have bought a gross or two of some good lithia water, but this was not thought of until the boys were in the midst of their troubles.

* * *

"Dummy" Rosson will pitch the opening game tomorrow, and he is expected to give a good account of himself. Of all the Stogie twirlers the Tennessee lad has made the best showing, and it is a club secret that Boston (N. L.) will be in the market for the youngster if he makes good in the Central this season. Kittridge who caught him in the Boston-Wheeling game, says Rosson has a great wing and all the curves, and that he will soon be putting 'em over with the best in the land in one or the other of the big leagues.

* * *

The Wheeling batting order tomorrow will be: Price, c. f.; McTeer, 1st b.; Jim Fox, 2 b.; Kain, s. s.; Dahlquist, r. f.; Blake, l. f.; Deiters, 3 b.; Shannon, c.; Rosson, p.

* * *

A large force of carpenters are working long hours at the Wheeling club's Sunday park, endeavoring to get things in shape for the first home Sunday engagement of the season, May 3. The fence is up and the men are now building the bleachers, but it is not expected that the grand stand will be ready before the next Sunday game, scheduled for the 24th with Fort Wayne.

* * *

Buck Washer and Childs, the latest additions to the Wheeling pitching staff, have both made good, and are likely to remain here. The other twirlers are Dahlquist (who will be played in right when not pitching), and Carriveau and Rosson. Two catchers will be carried, Shannon and Fisher, both of whom have made an excellent impression upon the fans.

* * *

All in all, the team looks good, and when in condition will fear no other Central league aggregation, not even excepting the much touted Marions and the vaunted Evansvilles and Terre Hautes. From the local view point, on the imperfect information at present obtainable, Anderson and South Bend are sized up as the Central's weaklings, with Fort Wayne and Dayton also good for the second division, while Wheeling, Marion, Terre Haute and Evansville are considered pretty sure for the first division. Of course, this guess work may be awfully bad, and possibly the personnel of some of these teams will be almost entirely changed before the season is a month old.

R. M. Archer.

SOUTH BEND IS READY.

(Central League Inter-change News Service.)

South Bend, Ind., April 29.—South Bend, in a base ball way is not weak. On the contrary, this city will be represented in the Central base ball league by a first division team. Throughout the circuit a story has been circulated that this city of wagons, plows and sewing machines had a club which would do well if it finished above the tail end position, but "watch our smoke." South Bend fandom would not support a losing team and no one knows this better than genial "Aggie" Grant, the guardian of the second sack and manager of the nine.

Grant has been in the base ball business since he was able to tie his shoes and when he signs a player, it is because he knows that he is getting talent. The South Bend team this year promises to be in the fight for the pennant and although the weather in this part of the country has been cold, damp and disagreeable, all of which has prevented the men from getting into condition, the Greens will begin the season Thursday with a determination of giving Terre Haute the hardest kind of a fight. The line-up of the locals for Thursday's contest is as follows:

Catcher, Outcalt.
Pitcher, Moffit.
Short stop, Beam.
First base, Spangler.
Second base, Grant.
Third base, Vorpagle.
Right field, Coffey.
Center field, Robinson.
Left field, Anderson.

—Rudolf H. Horst.

BASE BALL NOTES.

Elkhart Truth: "Bo" Slear, the Elkhart boy, playing ball with Fort Wayne, is doing some terrific slugging this year. Last Thursday out of four times up he got four hits, a single, a double, a three-bagger and a home run. The Fort Wayne papers compliment Slear very highly for his all-round work.

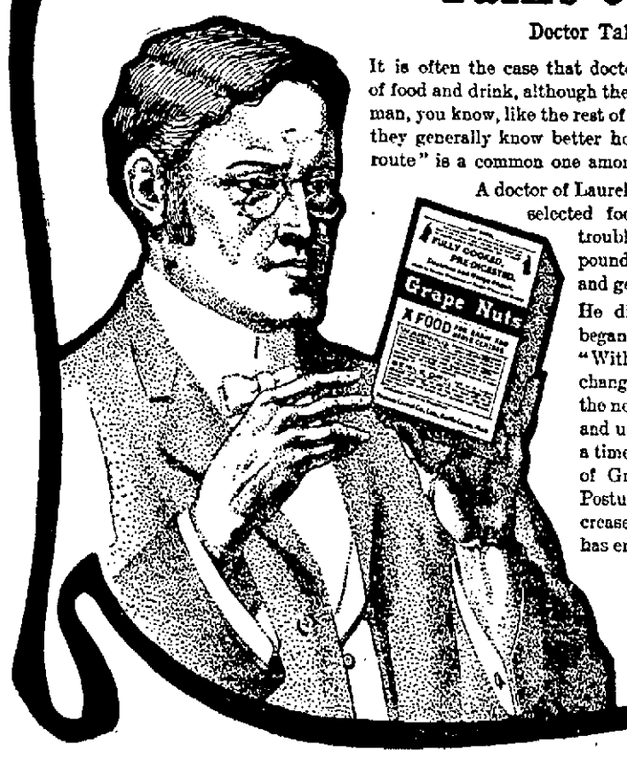
Grape-Nuts
Talks Out
Doctor Talks About Food



It is often the case that doctors themselves drift into bad habits of food and drink, although they know better. But doctors are human, you know, like the rest of us; but when they get into trouble they generally know better how to get out of it, and the "food route" is a common one among them.

A doctor of Laurel, Ind., concluded that coffee and badly selected food were the cause of his stomach trouble and his loss in weight from 184 pounds to 153 pounds, with nerves impaired and general nervous break-down.

He did not give up coffee at once, but began the use of Grape-Nuts, and says: "Within a month I could see a wonderful change had taken place, due to the use of the new food. I decided to give up coffee and use Postum in its place; so regularly for a time I have been on a breakfast made up of Grape-Nuts, a little graham bread and Postum Food Coffee. My weight has increased to 174 pounds, my stomach trouble has entirely gone and my mind is clear and vigorous as ever. Wishing you every success, I beg to assure you of my warm appreciation of Grape-Nuts and Postum." Name given by Postum Co., Battle Creek, Mich.

CRIMINAL ASSAULT OF A YOUNG GIRL

Amanda Scott, Near Sheldon, Victim of Attack--Geo. Bower Accused.

This morning Calvin Scott, a farmer living on what is known as the Bower farm, about one mile north of Sheldon, filed an affidavit in Tancey's court charging George Bower with feloniously assaulting his daughter, Amanda Scott, aged about sixteen.

A warrant was issued and placed in the hands of Deputy Sheriff Ryan for service. The victim of the assault is said to be in a precarious condition and physicians from Ossian who were called to attend the case could not be reached this afternoon.

A daughter of Calvin Scott is the wife of the tenant of the Bower farm, owned by Mrs. Annie Bower, of 709 Home avenue, this city, and the sister of Amanda Scott, the victim of the assault. George Bower, the alleged assailant, is the son of the owner of the farm and is well known here as a young attorney.

Bower divided his law practice with occasional jobs of shingling and was engaged in putting a new roof on his mother's farm house for several days. Yesterday, it is alleged he entered a room at the farm house where he found the young Scott girl alone and forcibly dragged her into an adjoining bedroom where the final assault was committed.

Bernard Moran entertained the Corodula club last evening, cards and music being the principal amusement features. The first prize was won by Mr. Fry and the booby was awarded to Daniel Falvey. The following officers were elected: President, B. Moran; vice president, Dan Falvey; secretary, Carl Schmieman; treasurer, Louis Shirmeyer. The entertainment committee consists of Ralph Bodson, Carl Schmieman, John Monning, jr. and John G. Belger.

RESUMES INVESTIGATION.

New York, April 29.—The interstate commerce commission resumed today its investigation into the complaint of William R. Hearst against the anthracite coal carrying railroads. John Edmonds, sales agent in New York for the Reading Coal and Iron company, testified that the company sold about 1,000,000 tons of coal a year, payment for which was always made to the finance company. He could not tell the average cost of selling the coal in this city.

TO MAP TIMBER BELT.

Tacoma, Wash., April 29.—The federal government has sent W. A. Langille, an expert timber cruiser, north for the purpose of cruising and mapping of the timber belt of Southern Alaska. He is accompanied by Collector of Customs Jarvis, of Sitka. Langille will be the first cruiser sent into Alaska for this purpose. He will probably work as far north as Skagway this year. Other cruisers will follow him.

CHINESE FOR MEXICO.

San Francisco, April 29.—The advance guard of an army of Chinese coolie laborers, who will be employed in the hemp fields of Mexico have arrived here from the orient on the steamer Doric, en route to Salina Cruz. The coolies number 57 fokienese, but 25,000 families are soon to follow and join their countrymen on the hemp plantations of the Mexican province of Yucatan. The Chinese are under the immediate charge of John G. Meyers, a wealthy hemp grower of Merida, Mexico.

SHAMROCK'S MAST READY.

Glasgow, April 29.—The new mast intended for the Shamrock III. has been completed and will be stepped Friday. It is hoped the cup challenger will be completely re-rigged and ready for a trial spin May 6.

BIG ELEVATOR COLLAPSED.

Mount Vernon, Ill., April 29.—The Lidell elevator, containing 100,000 bushels of grain, collapsed last night, entailing a loss of $50,000, with no insurance to cover a loss of this kind.

HE WAS INJURED FOUR MONTHS AGO

Theodore Wedler Dies at Hope Hospital—Other Deaths and Funerals.

Theodore Wedler, 42 years of age, died at Hope hospital at 8:30 o'clock Tuesday evening as a result, it is said, of injuries sustained more than four months ago.

Wedler was formerly in the employ of the Pennsylvania company, and was connected with the crew of the pile-driving apparatus. On the morning of December 26 last, in a dense fog, he was walking to his work in the yards of the Pennsylvania company when he was struck by Grand Rapids and Indiana engine 64.

The man sustained extensive injuries, the more severe of which seemed at the time to consist of an extensive cut upon his head. Later it developed that there were internal complications which rendered his case more serious than was at first believed, and it is stated that he never recovered from the effects of the accident. The man was removed from his home, 907 Hayden street, three days ago, to Hope hospital, where his death occurred Tuesday evening, as stated.

Wedler was a native of Germany and had resided in America about twenty-five years. He leaves the widow and nine children. The deceased was a member of Fort Wayne lodge, No. 14, I. O. O. F., and of the Turnverein Vorwaerts.

Tomorrow St. Louis will get some sort of notion of her ability to keep up the pace a world's fair town must go.

The bribery charges that have been so freely bandied about at the Illinois capital have become rather flappy. Investigation has let the wind out of most of them. As an exception this is interesting.

Secretary Hay is growing suspicious that John Bull is disposed to be tricky in the Manchurian affair and let Uncle Sam do the wrestling. When Hay begins to have suspicions in that quarter it is time for all others to be convinced.

When the paving program of the present year is fully carried out Fort Wayne may begin to assert her right to the title of a city of good streets. The present progress of street improvements if maintained during the next two or three years will make Fort Wayne one of the most thoroughly paved cities of her class in the west.

In his late report General Miles, commandering general of the army, takes occasion to reiterate his opinion that the anti-canteen law has had a beneficial effect on the morale of the army. General Miles says this after investigating the operation of the law. He has said the same thing before. It is an opinion of weight and is not the hasty conclusion of a prejudiced man going off at half cock.

Saratoga is setting about it to create a new class of visitors to that famous resort. That is to say Saratoga has resolved to suppress gambling and that means of course that a large part of the class that has frequented that watering place will have to go elsewhere for the kind of amusement they seek. If Saratoga does not falter one of the greatest gambling centers in the country will be abolished.

The sheriff of Monroe county explains to Governor Durbin that the brutal whipping of two women with cat-o'-nine tails made of barbed wire, in Bloomington, Sunday morning, was not done by whitecaps, but by drunken rowdies, according to reports given to him, though he adds he cannot vouch for the truth of them. As chief custodian of the peace of his county it would seem that if it could be done without too much exertion, the sheriff might initiate an investigation of his own to get at the facts and incidentally the members of the mob. However, nothing the sheriff says will obscure the fact that Monroe county has been greatly disgraced in recent years by numerous whitecapping outrages and the governor did a commendable thing in expressing his indignation at failure to enforce the laws in that county.

THE RIGHT THING DONE.

One of the closing acts of the present city council is as eminently creditable to that body as any transaction in its history. The ordinance passed last night appropriating money for the paving of Broadway, East Creighton avenue and East Jefferson street meets a situation at once deplorable and urgent. The streets named are in an all but impassable condition and no thoroughfares in the city are so much in need of improvement. South Broadway, bearing as it does an immense traffic, is particularly in need of paving and East Creighton avenue is positively dangerous. It is to be hoped that the necessary arrangements can be made whereby Broadway may be paved to the south city limits. It was that portion of the street never paved that presented the worst conditions this spring, when deep mires caused by the heaving of the frost and heavy rains made it necessary to barricade the street and close nearly half a mile of it to traffic.

The people most interested in these improvements have been clamorous for pavement and with weighty reason. They have labored hard to have the improvements ordered and almost without exception those who will have the burden of expense to bear will gladly welcome that burden. The action of the board in bringing the matter of these improvements again before the council and the council's prompt and unanimous conduct in voting the money to carry out this supplementary scheme of street improvements will command the cordial approval of the people most directly interested and of the entire public of this city as well.

The council has crowned a term full of good works with an act that does that body as full a measure of credit as any transaction written in the record of its achievements. The people will appreciate this dispensation of justice in a matter in which they are deeply concerned and had a right to press with the vigor they have shown.

INFLAMMATORY RHEUMATISM CURED.

William Shaffer, a brakeman of Dennison, Ohio, was confined to his bed for several weeks with inflammatory rheumatism. "I used many remedies," he says. "Finally I sent to McCaw's drug store for a bottle of Chamberlain's Pain Balm, at which time I was unable to use hand or foot, and in one week's time was able to go to work as happy as a clam." If troubled with rheumatism give Pain Balm a trial. One application relieves the pain. For sale by all druggists. M-W-F

NO GAMBLING AT SARATOGA.

Saratoga, N. Y., April 29.—Just as professional gamblers all over the country have about completed arrangements to flock to Saratoga, the authorities here have issued a warning that they had better keep away. The sheriff, police commissioner and chief of police have declared war on gamblers, big and little, and they are backed up by the leading citizens. The reform wave has struck the spa and there is every reason to believe that its day as a Mecca for gamblers has passed. There are to be no exceptions in favor of anyone, not even Richard C. Canfield, for he is especially mentioned in the ukase against games of chance.

FRANK CALEY HAD A NARROW ESCAPE

Former Fort Wayne Young Man Swallows Morphine at Elwood.

Frank Caley, one of the best known young men in Elwood, had a narrow escape from death today, owing to an overdose of morphine, says the Elwood Call-Leader on Monday.

With his wife he resided in a suite of rooms in the old opera house block, and it was in his room there that he took the drug that came so nearly ending his life.

Friends hesitate to believe that Frank Caley would take poison with suicidal intent, and while all indications point in that direction, those who know him well refuse to believe that such was his intention.

He entered a drug store about 9:30 this morning, and in a careless, joking way characteristic of him, asked for some morphine. He had laid down 35 cents and bought a package of cigarettes. Being asked how much morphine he wanted he replied, laughingly, "You can count, can't you?"

He was given 25 cents worth of the drug, and left the store with a joke with the other employes. Going to his room, he was in the act of emptying the vial when his wife discovered the act and wrested the bottle from his hand. Half its contents was gone.

Physicians were hastily summoned and four or five were soon in attendance. The condition of the man was serious, and after a stomach pump had been applied by Dr. Edwins, without effect, an electric battery was employed by Dr. Blume. After much work on the part of the physicians Caley was pronounced out of danger.

At 3:30 o'clock this afternoon the man was being walked about his rooms and was said to be recovering. His friends are very glad to know that he came out of the dangerous condition and that he will recover. Frank Caley is too good a fellow to dispense with yet, and this incident, which could have been nothing less than an accident, is one greatly to be regretted.

WILL DRAMATIZE "THE PIT."

New York, April 29.—Wilton Lackaye has signed a five-year contract with Manager William A. Brady and is to play Curtis Jadwin in a dramatization of Frank Norris' novel, "The Pit." Channing Pollock, who is associated with Mr. Brady, said last night: "Mr. Brady and I will dramatize the book. The first performance is set for the middle of October in Chicago. The production will be on an imposing scale. The first act will show the lobby of the Auditorium theater, Chicago, during a performance of grand opera; the second act the home of the Cresslers during a rehearsal of amateur theatricals; the third Curtis Jadwin's art gallery, and the fourth, in two scenes, the offices of Gretry, Converse & Co., brokers, and 'the pit.' Six hundred people will take part and the galleries of the theater and the board of trade (i. e. 'the pit') will be shown. A London production, with Mr. Lackaye in the leading role, is planned for June, 1904. Mr. Brady is to go to London to engage the wife of a leading actor-manager for the part of Laura. A specification of the contract is that Mr. Lackaye is to appear as Othello about April 30, with a similar Shakespearean revival each successive winter." Mr. Lackaye is now with Amelia Bingham's company.

INJUNCTION ASKED FOR.

Baltimore, Md., April 28.—The Western Union Telegraph company, through its counsel, Isidor Rayner, attorney general of Maryland, filed a suit in the United States court today, asking that the Philadelphia and Washington railroad company, a branch of the Pennsylvania railroad, be enjoined from destroying its system of poles and wires. The bill narrates that the railroad company has given the telegraph company notice to remove its wires and poles from the line of the road by May 15. This the company has declined to do and has asked for an injunction.

KING EDWARD IN ROME.

Rome, April 28.—King Edward, accompanied by General Pedotti, representing King Victor Emmanuel, and escorted by a brilliant array of cavalry, went to the Pantheon today and deposited wreaths of laurel and palm on the tombs of King Victor Emmanuel I. and King Humbert. His majesty then enjoyed a long drive through the city and returned to the quirinal for dinner. The crowds which gathered in the streets through which King Edward passed continuously acclaimed the visiting sovereign.

DISCRIMINATION CHARGED.

Washington, April 28.—The Richmond Elevator company, of Lenox, Mich., today filed with the inter-state commerce commission a complaint alleging that the Pere Marquette railroad at various times since Oct. 15 last, has failed to furnish cars for the complainant at Valley Center, Doyle, Avoca, Crosswell and Memphis for inter-state movements of hay and grain, although meantime furnishing cars at other points for other shippers, including the competitors of the complainant. The complaint alleges the attitude of the railroad company is discriminative.

SOUTH CHICAGO SALT PLANT IS DESTROYED

Acres of Docks and Valuable Machinery is Burned-- Loss $1,500,000.

Chicago, April 29.—Flames last night swept the plant of the International Salt company at South Chicago out of existence. Besides the buildings of the salt concern, three grain boats in the Calumet river were also destroyed. The total loss is figured at $1,250,000, the damage suffered by the salt company being placed at $800,000.

The flames started in the engine-room of the salt plant, and for a time threatened to spread to a number of elevators along the Calumet and to other large manufacturing concerns, but under the direction of Chief Musham the firemen prevented such a catastrophe.

The buildings of the International Salt company's plant covered nearly sixteen acres, extending along the Calumet river. The main buildings from One Hundred and Second street to One Hundred and Third street, were three sheds, two extending east and west and the third north and south. The larger sheds were 1,500 feet and 1,000 feet long and 800 feet wide. The third was 500 feet square. In these were stored 400,000 tons of salt, and the greater part of this is said to be ruined.

Included in the company's loss are the docks extending 1,500 feet along the Calumet river and 250 feet wide. On those to the south of the plant along the slip were two huge hoisting machines, and on the slip to the west were four of these machines. The loss on the sheds and docks is placed at $200,000 and on the salt at $600,000.

CURED WHEN OTHERS FAILED

MRS. FRANCES MITCHELL.

Secretary, North Chicago Fraven Verein, 1056 Winnemac Ave., Chicago, Ill. says

CHICAGO, ILL., 1056 Winnemac Avenue, Oct. 25, 1902.

Wine of Cardui can always be relied upon to cure when everything else fails. It is a certain cure for female diseases in their worst forms. I suffered for years with ulceration. Intense pains in the womb and ovaries and dreadful headaches unfitted me for my work. Finally I grew so ill that I had to keep to my bed. The pains were so intense at times as to cause spasms and a disagreeable discharge drained my life forces. In my extremity after all else had failed, I tried Wine of Cardui. After using it for two weeks I began to improve so rapidly that I felt encouraged to keep up the treatment, which I did for eighteen weeks, but at the end of that time I was entirely cured. What a relief was mine and how new and beautiful life looked to me when my health was restored. Only those who have passed through such a siege of sickness as I have will understand how much I value Wine of Cardui. It is indeed a boon to sick women.

Mrs. Frances Mitchell

Fully 1,500,000 afflicted American women have been cured of female diseases in the privacy of their homes by Wine of Cardui and everyone of them would give it the same praise Mrs. Mitchell gives.

Every weak woman needs Wine of Cardui. What better present could be taken to a suffering relative or friend than a bottle of this great medicine? That is the quickest and most satisfactory way to bring joy to the despondent sufferers in your home—to really make your loved ones happy. Can you read Mrs. Mitchell's letter without feeling your responsibility to the sufferers in your home? Wine of Cardui cures disordered and painful menstruation, periodical headaches, falling of the womb and leucorrhœa. It cures extreme cases of these troubles. It strengthens girls approaching womanhood, helps bring children to barren homes, makes pregnancy and childbirth easier, prevents miscarriages and is the best medicine ever made for use during the change of life. Why permit the good women in your home to suffer another day? Every druggist has $1.00 bottles of Wine of Cardui.

Cure That Cold To-day

A simple remedy at the beginning of a disease is better than a council of doctors at the critical stage.—MUNYON.

Thousands of Philadelphians are at present victims of the Grippe. That dreaded disease is epidemic; and yet a simple remedy is at hand which is a sure preventive. At the first appearance of a cold—the forerunner of Grippe—MUNYON'S COLD CURE should be used at once. There will be no fear or danger of Grippe then. A few doses will break up most any form of cold. It has been demonstrated in thousands of cases that it immediately checks discharges of the nose and eyes, stops that awful sneezing, promptly relieves the throat and lungs, allays inflammation and fever and tones up the entire system. It is simply invaluable in all forms of Grippe, or obstinate colds.

Price 25c. at any drug store

SAY NAVAL OFFICERS ACCEPTED BRIBES

Japanese Papers Print Tale of Crooked Work in Naval Construction Work.

Victoria, B. C., April 29.—The steamer Oanfa, from the orient, was at Kobe when the great review held in the emperor's honor took place. There were five long lines of battleships and cruisers, all handsomely decorated with flags. The Japanese squadron numbered forty-seven battleships and cruisers and twenty-three torpedo boats and about a dozen foreign warships were present. This fleet was reviewed by the emperor from the cruiser Asama. The emperor's message to the fleet extolled the progress of the navy and urged renewed efforts. A grand ball was held at night and when the emperor retired to his villa at Maiko the fleet concentrated there, forty-one of which sails being brilliantly illuminated.

Two Japanese papers publish stories to the effect that the American officers sent over to watch the construction of the Manila gunboats built for the United Sttaes by the Uruguay dock company were bribed and passed work which resulted in structural defects in the first gunboat. The Niroku Shimpo says that defects in the construction of the first gunboat were reported by Japanese officers who took her to Manila, and as a result the four gunboats now on the stocks are being reconstructed at a heavy loss to the builders. The Japan Mail discredits the story of the bribery.

A copy of the Singapore Straits Times, received by the Oanfa, says two Chinese, one of whom is believed to be Kang Yu Wei, the noted reform leader, have been arrested at Darjeeling, charged with conspiracy against China, and ordered deported to China.

Kobe papers report that a young Japanese recently dashed into a burning school to save the emperor's portrait and was found burned to death by firemen, with the portrait in his hands.

UNCLE REUBEN'S OPINION.

"They may say what they please, but listen—hear me: I've taken all kinds of laxatives, purgatives and cathartics, but when it comes to one that is easy and pleasant to take, mild and gentle in its action, and that makes one want an extra slice of bacon for breakfast, just give me Chamberlain's Stomach and Liver Tablets, and you may have all the laxative syrups, dyspepsia medicines and pills, little or big, there is in this country. Them Tablets surely do make one feel joyful." For sale by all druggists. M-W-F

Archie Butler, Vernon G. Lamb and Louis Nicklas have been selected from the elegible list for appointment as substitute carriers at the Fort Wayne postoffice, and it is probable that other appointments will follow soon.

WHITECAP OUTRAGE IN BROWN COUNTY

Two Men Taken from Beds and Brutally Beaten by Mob of Masked Men.

Nashville, Ind., April 29.—News of a double whitecaping, which took place early yesterday morning in Johnson township, reached this city yesterday. Just after midnight a mob of masked men broke open the doors at the homes of James Moffet and Elsworth Hashman and dragged them to trees near by and gave them a severe lashing with hickory switches. The home of Moffat was entered first. A rail was used to knock the door down and when the mob struck it it flew off the hinges and across the room. Moffat was found in bed. He was jerked out of bed and he fought desperately to free himself, but he was thrown to the ground and dragged to a tree, where he was tied and lashed several times. After whipping him the mob untied him and took him back to the house, where they gave him a lecture before his wife.

Moffet, it is claimed, had been visiting a certain house in the neighborhood, and when his wife remonstrated with him it is said he beat her. Moffet was told that he must stop his visits to the house in question and never again beat his wife or the whitecaps would come back.

Hashman, living near Moffett, fell a victim to the whitecaps an hour after the whipping of Moffett. Hashman was given a more severe flogging. He was also taken from his home, tied to a tree and brutally treated. It was claimed by the whitecaps that Hashman also visited a notorious house, and he was notified to stop his bad conduct. Warrants will be issued if the identity of any members of the mob can be established, but so far as learned the victims did not recognize any of their assailants. It seems the work is generally approved in the neighborhood, and no excitement or complaint is heard.

EIGHT ARRESTS TO BE MADE.

Bloomington, Ind., April 29.—Prosecutor Miller and Mayor Dunn held a court of inquiry yesterday afternoon and examined the victims of the recent whitecapping. Eight names of persons supposed to have aided in the outrage have been secured and arrests will follow tomorrow. The mob was composed of the vicious element and all good citizens deplore the barbarous exhibition.

MRS. THAW EXPLAINS THE YARMOUTH "DEAL"

Mother of Countess of Yarmouth Tells of Marriage Settlements.

Pittsburg, Pa., April 29.—The following communication to the Associated Press by Mrs. William Thaw, mother of the Countess of Yarmouth, explains itself:

"There is one line of romance—to call it by no harsher term—largely indulged in by newspapers, which the Associated Press is asked to correct. The particular instance now referred to is that of the 'settlement' in connection with the marriage of the Earl of Yarmouth. Briefly the facts are these. (Each is put into a separate paragraph in order to be more clearly understood.)

"Miss Thaw, now the Countess of Yarmouth, at the death of her father, was left (as were each of his five children by his second marriage) with an independent fortune of nearly half a million dollars. Half of this amount was immediately put into trust for each child, the income only to be available during their lifetime.

"Part of the remaining half of the fortune of each of these children consists of one-tenth share each in the 'William Thaw Coke Trust,' which is tied up absolutely and irrevocably, save as to income.

"What is known as the 'free estate' of Miss Thaw, amounting to about one-half of the whole estate, has been, by consent of herself and Lord Yarmouth, formed into a third trust, to be managed by the Fidelity Title and Trust company, of Pittsburg, together with one individual trustee.

"The income from all three trusts will be paid to the Countess of Yarmouth, except a small complimentary fractional income (nothing like what at various times has been stated) which she, without suggestion from the other side, allotted to the earl himself.

"In case of her death, it is arranged that the income from about one-fifth of her total estate will be paid over to, or invested for the benefit of the title and estate of Hertford, to which, should he outlive his father, the earl will succeed.

"These," the communication continues, "are the plain, unvarnished facts, given through the Associated Press by Mrs. Thaw herself. At no time has there been any hitch whatever because of financial questions, neither has there been any demand made by the earl or his family, the whole being arranged by Miss Thaw and her immediate family, as a proper recognition of the position the earl and his countess will occupy."

Mrs. Thaw adds the following comment:

"The whole discussion by the newspapers has been simply a feeling about in the dark. Not one item of information has been given out heretofore by any one. The freedom with which cyphers are thrown about by printers is typical of the age."

JUSTIFIED IN SHOOTING.

Boston, April 29.—Holding that her action in defending herself and family against an intruder into her home at dead of night was entirely justifiable, Judge Ely, of the municipal court, yesterday discharged Mrs. Isabelle Viola, who was arrested on Sunday for shooting Lieut. Kelley, of the fire department. Kelley, who had been calling in one part of the house where the Violas live, went away leaving some personal property behind him. He returned to get it, but being in liquor, it is claimed, tried the wrong door. When admittance was refused Kelley burst in the door, which was that of the apartment occupied by the Violas, and attacked Mrs. Vola, who opposed him. Mrs. Viola, seeing that Kelley was overpowering her husband, seized a revolver and shot Kelley, inflicting fatal wounds

THE DAY ON WALL STREET.

New York, April 29.—Opening prices advanced in continuation of the upward movement in progress late yesterday. The movement was without animation and dealings were small. Sugar rose 1¼ and Amalgamated Copper ¼. Rubber Goods preferred dropped 2.

Buying for the long account was stimulated by the opening show of firmness and the subsequent absorption of the Erie and local tractions. New York Central fell off a point at one time, which caused a momentary check to the rise, but that stock soon rallied and the general list went up again. Railroad stocks moved within narrow limits, but the firmness of the trans-continental group contributed to the market's tone. The Erie stocks moved up 1@1¼ on yesterday's good earnings statement. Delaware and Hudson, St. Paul, Canadian Pacific, Amalgamated, Metropolitan Street railway and Manhattan were also a point better. Colorado Southern first preferred declined 1¼ and New Haven 1.

Prices eased off during the second hour for lack of demand rather than for any pressure to sell. Reactions reached a point only in St. Louis and San Francisco and Sugar. There were advances of 1 to 2 in Morris & Essex, Detroit Southern preferred, Rubber Goods and Railway Spring.

The bond market at noon was quite broad, but dealings were small and changes irregular.

While the demand for stocks was slight, there was a steady appreciation in values, which reached substantial proportions in a number of cases. The persistent buying of the Erie acted as a tonic. Some of the more important afternoon advances included a point or over in Northwestern, Ontario and Western, Wabash preferred, Baltimore and Ohio, Illinois Central and National Railroad of Mexico preferred.

The continued buying of the Erie held the market steady. The common rose 1¼, the first preferred nearly 3 and the second preferred 3¼. New York and New Jersey Telephone gained 3, Canadian Pacific and People's Gas 2 and the advance reached a point or more for the Readings, New Jersey Central, Chesapeake and Ohio, Atchison, Missouri Pacific, St. Louis and San Francisco, Rock Island, Southwestern preferred, Tennessee Coal and Metropolitan Securities. The closing was firm at about the top level.

NEW YORK PRODUCE MARKET.

New York, April 29.—Butter—Receipts, 4,483 packages; market unsettled; state dairy, 17@22c; extra creamery, 22½c; creamery, common to choice, 18@22c.

PLAN EXCURSION TO ROME CITY IN JUNE

Fraternal Assurance Society to Have Great Day at the Pretty Resort.

Fort Wayne members of the Fraternal Assurance society of America are to have a big day at Rome City in the latter part of June, and preparations are already under way for the event.

Lee J. Ninde, supervisor of the society's work in Allen county, is at the head of the enterprise, and the program is one from which every member of the society may be able to extract genuine pleasure. The members will make the trip in a special train, accompanied by a fine band.

During the morning there will be boating and fishing. At noon a picnic dinner will be given and the afternoon is to be devoted to a long program of athletic sports and games. Following the supper there will be dancing in the pavilion. The movement is yet in its embryo, but it is already leaping into high favor with the membership, and a large crowd is assured.

POOL-ROOM LAW WEAK.

New York, April 29.—Judge Warren W. Foster, of the court of general sessions, commenting on the decision of the court of appeals sustaining his decision in favor of the defendant in a pool-room case, said today there was no definite law on which to convict keepers of pool-rooms and therefore it was impossible to impose any penalty. It is said that as a result of the decision the pool-rooms which it has been claimed were all closed, are preparing to re-open.

PEQUINOT—MOMMER.

A very pretty wedding took place at the home of August Pequignot, nine miles from the city on the Goshen road, when his son, August, jr., and Mrs. Tena Mommer were united in marriage. The bride and her maids were dressed in white organdie and carried bride's roses. Over a hundred guests were present. Mr. and Mrs. Pequignot have gone on a short wedding trip to Chicago.

BUTLER—SHELLERS.

A very pretty, but quiet wedding took place at noon yesterday at 87 Wagner street, the contracting parties being Miss Jennie Shellers and Thomas Butler. Dr. D. W. Moffat, of the First Presbyterian church, officiated. The bride is well known and popular and the groom, who has been a resident of the city for several months, has many friends. Mr. and Mrs. Butler have begun housekeeping at 87 Wagner street.

M'DONALD—KIME.

Tuesday evening at 6 o'clock, at the home of the bride's parents, Mr. and Mrs. Milton Kime, 1122 Wells street, Rev. David Wells, of Trinity M. E. church, pronounced the words that solemnized the marriage of Oren C. McDonald and Miss Almedia E. Kime. Only the members of the families of the contracting parties and a few close friends were present. The bride is an accomplished and charming young lady, who is a favorite in a large circle of friends. The groom is a member of the plumbing firm of McDonald & McMaken and is the socialist candidate for waterworks trustee. The young couple will go to housekeeping at 1425 North Calhoun street.

ABOUT THE COURT HOUSE.

The circuit court and jury is this afternoon engaged in hearing the testimony in the case of the state vs. Laura Revert. The case is an appeal from the justice in St. Joseph township and involves a lot of intricate confidences in a brood of turkeys which are in dispute.

Mary E. Quinn has filed her final report as administratrix of the estate of the late Patrick J. Quinn.

In the case of John W. Thatcher vs. the Chicago and Erie railroad, venued here from Adams county and tried before Judge Heaton April 9, a judgment was today entered for the defendant.

The replevin suit of W. W. Kimball & Co. vs. Josephine Greaney was settled out of court and dismissed.

In the case of Ephraim Grubaugh against Theodore F. Kress for ejectment and possession of property, Judge Heaton today found for the plaintiff and against the defendant for costs.

The county commissioners today made a trip to Lake township, where a "sink hole" is obstructing travel on the highway about two miles north of Arcola.

Louis Kopp was released from jail this morning after serving a sentence imposed by the municipal court and was taken before Justice Skelton and tried for trespass. The affidavit was filed by his mother-in-law, Mrs. Maria Perrett. To the justice it looked like a case of family trouble and he acquitted the defendant upon his promise to leave the city.

The case of the state vs. Laylander has been set for May 2, the first criminal case regularly calendared.

MARRIAGE LICENSES.

Herman L. C. Thiel and Olive Lemon.

TO RACE CONSTITUTION.

Newport, R. I., April 29.—It is expected the Reliance will start tomorrow for New Rochelle. It is not known how long she will remain there. It is believed that she will meet the Constitution at the head of Long Island sound for a trying out of canvas before she returns here.

Mrs. Tupman, a prominent lady of Richmond, Va., a great sufferer with woman's troubles, tells how she was cured.

"For some years I suffered with backache, severe bearing-down pains, leucorrhœa, and falling of the womb. I tried many remedies, but nothing gave any positive relief.

"I commenced taking **Lydia E. Pinkham's Vegetable Compound** in June, 1901. When I had taken the first half bottle, I felt a vast improvement, and have now taken ten bottles with the result that I feel like a new woman. When I commenced taking the Vegetable Compound I felt all worn out and was fast approaching complete nervous collapse. I weighed only 98 pounds. Now I weigh 109½ pounds and am improving every day. I gladly testify to the benefits received."—Mrs. R. C. Tupman, 423 West 30th St., Richmond, Va.—*$5000 forfeit if original of above letter proving genuineness cannot be produced.*

When a medicine has been successful in more than a million cases, is it justice to yourself to say, without trying it, "I do not believe it would help me?"

Surely you cannot wish to remain weak and sick.

Mrs. Pinkham, whose address is Lynn, Mass., will answer cheerfully and without cost all letters addressed to her by sick women. Perhaps she has just the knowledge that will help your case—try her to-day—it costs nothing.

TWO FORT WAYNE MEN ADVANCED

G. L. Potter Vice President and C. S. Sims General Manager of the B. & O

CROWD GREETS CONLON

Listen to His Address on the Question of a Nine Hour Labor Day.

Next Friday George L. Potter will become third vice president of the Baltimore and Ohio company, and C. S. Sims will become general manager of the road. Both are former citizens of Fort Wayne and have many friends here who will be pleased to hear of their advancement. Mr. Potter was master mechanic of the western division and later motive power superintendent of the Northwest system during his ten years' residence in this city. When Mr. Ely was advanced, Mr. Potter was called to the office of general superintendent of motive power of the Pennsylvania lines west of Pittsburg, and shortly afterwards appointed general manager of the lines. He was called to the Baltimore and Ohio shortly after L. F. Loree became president and was made the general manager and next Friday he is to be moved up higher and Mr. Sims is to be his successor. The latter gentleman was connected with the maintenance of way department during his 2 or 3 years' residence inFort Wayne. He came here during the administration of Civil Engineer Jackson and left to take a higher position about the time that E. G. Ericson came here. Of him the Pittsburg Dispatch says: "Mr. Sims comes from that great railroad school, the Pennsylvania system. As a graduate engineer his first position was on the Western division of the great trunk line. The rise from engineer to division superintendent, to terminal superintendent and finally to general superintendent of the Baltimore and Ohio at New York, is a short chapter in his 38 years of life. The chief recommendation for his rapid rise is his thorough manner of grappling with transportation problems. In his new position he will have complete charge of transportation traffic."

The official bulletin making the announcement of the promotion of Messrs. Potter and Sims also announced the promotion of Hugh L. Bond, the general attorney, to the office of second vice president.

MACHINISTS' BANQUET.

City hall was well filled by the machinists and their friends last evening when P. J. Conlon, vice president of the International Association of Machinists, arose to deliver his address. Mr. Conlon spoke for two hours, paying particular attention to the nine hour labor day. He advocated the adoption of a nine hour day, stating that on that schedule every mechanic in the United States and Canada would have steady employment under existing conditions and if there should be a falling off in the demand for skilled labor, Mr. Conlon believed it ought to be met by a corresponding decrease in the hours. He also spoke on other subjects, holding the attention of his hearers to the end. At the close of the public meeting, the machinists and their guests repaired to the hall on Calhoun street, where a banquet was given in honor of Mr. Conlon. John Daley was the toastmaster and every man in the house was compelled to "speak or sing" and it was after 1 o'clock this morning when the banquet came to a close. Mr. Conlon is en route to Milwaukee, where the annual convention is to be held.

WILL CELEBRATE ANNIVERSARY.

Mr. and Mrs. James Treece, of Walnut street, will celebrate the thirty-seventh anniversary of their marriage next Sunday, when the children and grand-children and some of their most intimate friends will assemble at their pleasant home. Mr. Treece is a veteran in the employ of the Wabash company. His first service was in the capacity of a section hand forty-one years ago, when he was a young man. Seven years later he took a position at the freight house and has been employed there steadily ever since. In speaking about his service with the ompany, Mr. Treece said this morning: "I never had another employer and I hope to remain with the Wabash so long as I am able to perform the duties to which I am assigned." He is quite strong yet and has many years of usefulness before him.

HAD A PLEASANT TIME.

Loyal lodge, No. 85, Ladies' Auxiliary to the Brotherhood of Railway Trainmen, was delightfully entertained at the home of Mr. and Mrs. Walter Erickson, 1307 Orchard street, Tuesday afternoon and evening. Nearly the entire lodge was present and the hours were spent in games, contests and music, after which a delicious suppe was served. Mr. and Mrs. Erickson are grand entertainers and they were given a rising vote by the lodge. The lodge will be entertained at th. home of Miss Bessie Miller, 621 West Main street, May 27.

BIG TRADE IN WAGONS.

The unusual trade in wagons indicates two very satisfactory conditions—prosperity among the farmers and appreciation for the most excellent article in that line which is turned out by the Olds Wagon works. That establishment is shipping wagons at present much more rapidly than the factory force is building them and the stock of finished vehicles is being rapidly depleted. The company is short on laborers in its factory, in common with other manufacturers. Good men are needed and will be given steady employment.

WILL REBUILD POWER PLANT.

The Hartford City Paper company has placed an order with the Bass company for remodeling the power plant of the paper mills. Three 200 horse power tubular boilers will be put in new and the engines will be overhauled and practically renewed. George T. Ladd negotiated the deal on the part of the Bass company.

GOING TO THE CONVENTION.

Secretary J. W. Burns, L. M. Pfeiffer, G. L. Lehman, H. F. Harper and F. M. Ensien are speeding towards Topeka, Kas., where they will attend the annual convention of the Railroad Y. M. C. A. Stenographer E. M. Pfeiffer, of Road Foreman Colmey's office, will leave for Topeka tonight.

WILL ELECT OFFICERS.

There will be an important meeting of the Relief Union of the Fort Wayne Electric works at the close of working hours Thursday evening. Among the business to be considered will be the annual excursion, which will be a greater event than any of the excursions or field day events yet pulled off by the relief. The annual elections also take place at the meeting this evening.

MORE CANDIDATES OUT.

Two more aspirants for honors at the hands of the Pennsylvania Volunteer Relief association have appeared. They are George McManigal, of the east yard office, and Herman Roembke, a coach painter at the east shops. Both have their friends and both will make a good race. So far there are five candidates in the field, the others being Conductor Joseph Morgan, Conductor P. J. Sullivan and Car Builder P. E. Mills.

RESUME TEN HOUR DAY.

Next Friday the planing mills and car department of the Pennsylvania shops which have been running on an eight hour schedule for a couple weeks, will resume the ten hour schedule.

INDUSTRIAL NOTES.

C. B. VanMeter, of the Nickel Plate, is fishing at Bass lake.

John Timmis has taken a position at the Pittsburg round house.

Paul Kinley and H. W. Arlin, Pittsburg shopmen, are sick and off duty.

Walter Eix has been appointed assistant timekeeper at the Fort Wayne Electric works.

Mr. and Mrs. J. P. Kane are moving from Delphos, Ohio, to this city. Mr. Kane is employed as a brakeman on the Nickel Plate.

Motive Power Supt. J. B. Barnes, Fuel Agent James Bruce and Traveling Engineer A. S. Mead, of the Wabash, are in the city today.

Contractors Fred Rump, Joseph Violand and Henry Mollett each commenced the erection of new dwelling houses this morning.

John Aubrey, jr., a caller at the Nickel Plate yards, resumed work today after a visit with friends in Chicago a few days.

H. B. McClellan, of New York, general eastern agent of the Wabash, was in the city yesterday looking after the interests of the road.

J. Goshway had his back sprained by lifting a heavy iron yesterday and E. D. Spahr sustained a sprained wrist by falling down yesterday.

Master Car Builder J. A. Graham, of the Pennsylvania, will go to Pittsburg tonight on busines for the company.

Detective Thomas Wilkinson, of the Nickel Plate, has returned to the city after a three days' stay in Chicago on business connected with his office.

Isaac Powell has taken a position at the Wabash shops and A. E. Liebrenz, H. Wise and C. E. Griffith resigned their positions at that shop this morning.

The automatic signals installed on the Philadelphia division of the Baltimore and Ohio are to be lighted at night with gas instead of oil lamps.

The Lake Erie and Western lines carried 2,210 excursionists into Indianapolis last Sunday, which is a much larger number than was carried by the first excursion last year.

Mrs. C. H. Walton and two daughters, Misses Mary and Catherine Walton, went to Chicago this morning to join Mr. Walton and spend a few days with him.

W. H. Eolen, of Plymouth, who was struck and injured by Pennsylvania train No. 20 last Monday, will recover, the internal injuries sustained by him being less than was at first believed.

William McLaughlin, a coremaker at the Bass works, was taken suddenly ill while going home to dinner yesterday. He fell to the ground, but soon recovered and was able to walk home.

The "Bizzy-Izzy" club, composed of Wabash shopmen, will have a dance at Taylor's hall this evening. This is an exclusive affair, open only to the twenty-five members of the club and their ladies.

A train traveled from Camden to Atlantic City, fifty-five miles, in forty-two minutes last Saturday, beating not only the record on the Philadelphia and Reading, but the world's record for that distance.

W. Smith and J. H. Dolan, of the Pittsburg machine shop, who were injured a few days ago, reported for duty this morning. G. F. Gable, also of that shop, reported after an absence on account of sickness.

A meeting of the association of the freight officials of the Pennsylvania lines east and west has been called at Pittsburg for the 6th and 7th of May to consider methods of retrenchment.

Conductor Sylvester McMahon, of the Pennsylvania, who is a candidate for councilman from the Sixth ward, has taken a lay off until after the election. Conductor Jerry O'Rourke has taken Mr. McMahon's run in the meantime.

General Superintendent E. A. Gould, of the Missouri Pacific, has issued a bulletin announcing the appointment of H. G. Clark to the office of superintendent of the western division and central branch railway, with offices at Atchison, Kan.

Wabash Engineer John Kane, of the middle division, is on trial at Lafayette for blowing his engine whistle contrary to the city ordinance. The ordinance is an old one and was considered a "dead letter," but it seems it is to be enforced hereafter.

Owing to the request of many colonists who are going to California to live, the Southern Pacific and its connection have decided to make a low tariff on household goods in less than carload lots shipped from the east.

Fireman C. A. Schroeder, who was on the colliding engine at the Delphos wreck last Monday morning, sustained a bruised side in falling while jumping from his engine. He while jumping from his engine. He is not seriously hurt, however, and will soon be at work.

Arthur Shumaker, a passenger engineer on the Chicago and Eastern Illinois road, fell out of his cab yesterday, while the train was running and sustained injuries from which he died a few hours later. The dead man was well known to Pittsburg and Nickel Plate men who run into Chicago.

Machinist Fred Stahl, who had been visiting his brother, "Chick," in Chicago during the stay of the base ball team in that city, resumed his duties at the Wabash shops this morning. Stationary Fireman K. Swift, who was visiting at St. Joseph, Mich., also resumed work at the Wabash shops this morning.

Pennsylvania switch engine 7130 was sideswiped in the Lima yards Monday and badly damaged. She was struck at the second driver and stripped of all the atachments, including the cylinder casing, to her front foot board. The switch engine came from out the Y just as a double header freight was passing. The freight engines were not damaged.

Last Monday Pennsylvania train 21, which was two hours behind time when it left this city, made the run to Plymouth, sixty-four miles, in sixty-eight minutes, including a stop at Warsaw to take on and set off passengers. At the latter place the engine "fell down" and another engine had to be called into service to complete the trip. Engineer M. H. Durnell was at the throttle.

Jacob J. Stier, foreman of one of the foundry departments at the Bass foundry, was surprized by a number of his friends, including twenty-five of his fellow shopmen, last Monday night, the occasion being Mr. Stier's birthday. As a memento of the visit Mr. Stier has a magnificent table and lamp, presented by the shopmen. Cards and refreshments, interspersed with good music, served to make the hours fly rapidly and pleasantly.

The reorganization of the force in the erecting department of the Pittsburg shops, mentioned yesterday, was completed last night. The force has been divided into three parts and each has fifteen men. Philip Landy has charge of the south track, Martin Hobrock has charge of the middle track and W. S. Wells has charge of the north track. Each gang has its subdivisions of six men in two of the divisions and three in what is termed the floating gangs.

BOODLE REPORT NOT READY TO BE SENT IN

Investigating Committee at Springfield to Take More Testimony.

Springfield, Ill., April 29.—The report of the boodle investigating committee will not be submitted to the house today. The committee did not complete last night's session until 2 o'clock this morning. At least one more witness, Walter L. Fisher, secretary of the Municipal Voters' league, is to be heard. Mr. Fisher arrived this morning and will be given a hearing this afternoon. He will explain the origin of the Mueller bill and will show that the traction companies had nothing to do with its preparation. He will also explain his interview with Goven and Auerback, the New York capitalists, in the office of John P. Wilson, three months ago. He asserts that the meeting was purely accidental. The traction question was discussed in a general way, but no attempt was made to agree upon any legislative proposition.

The report of the committee has not yet been agreed upon in detail. It is understood, however, that it will find the charge of Speaker Miller unsubstantiated by evidence, but will relieve the speaker of any intention of misrepresenting the matter, taking the view that he drew wrong conclusions from the statements made to him.

INJUNCTION DISSOLVED.

Cripple Creek, Col., April 29.—Judge N. Walter Dixon, has dissolved the injunction obtained by the owners of the Grace Arthur extension claim, to restrain the construction of the El Paso drainage tunnel through that property and awarded the tunnel company a right of way under condemnation proceedings. Operations were resumed today at the five headings of the big tunnel, which is intended to drain many of the mines in this district.

JOIN STRIKERS' RANKS.

Chicago, April 29.—More than 1,000 recruits joined the strikers at the Deering works of the International Harvester company this morning, including 400 tin workers, 600 lumbermen and fifty coremakers. "With the 800 girls from the twine factory, who quit yesterday, and with the men who came out today, we have more than half the plant on strike," declared Secretary Francke, of the Metal Workers' union. "We will have the Deering plant shut down completely by May 1."

GUILTY OF MURDER.

Chicago, April 29. Elsoe Barrett, who shot Besse Palmer, the actress, in their Oakwood boulevard apartments last January, was today found guilty of the second count in the indictment charging criminal negligence. This means that a short jail or house of correction sentence will be imposed. No sentence was passed today as a motion for a new trial was made by the defendant's attorney.

BOARD OF TRADE LOSES SUIT.

Buffalo, N. Y., April 29.—Judge Hazel, in the United States district court today handed down his decision in the suit brought by the board of trade of Chicago against the Consolidated Stock exchange of Buffalo and others. The decision is in favor of the defendants. A motion by the plaintiff for a temporary injunction is denied.

The plaintiff wanted a temporary injunction restraining the defendants from using "continuous" market quotations in this city as published on the exchange floor in Chicago. The basis of the application, according to the decision, was a contract between the complaintant and several telegraph onipanies and the alleged unlawful use by the defendants of the quoted market prices. The relations established by the contract, the decision states, restricts the publication by the telegraph companies of "continuous quotations" to companies and individuals who are their patrons and subject to certain stipulated contracts.

THE SYSTEM LIVES ON GOOD RICH BLOOD

People Who Lack the Proper Quantity and Quality of Blood Fall Victims to Every Disease That's Prevalent.

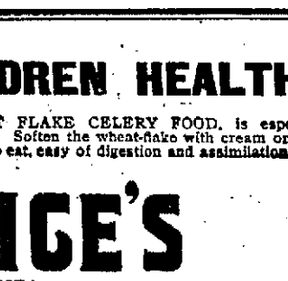
Dr. A. W. Chase Nerve Pills

BY THEIR POWER TO MAKE GOOD, RICH, RED, OXYGEN CARRYING BLOOD INSURES THE PROPER NOURISHING OF EVERY TISSUE, EVERY ORGAN IN THE BODY AND AN ABSOLUTE IMMUNITY FROM DISEASE.

The blood is the medium through which every tissue, every organ is supplied with the material it feeds upon and rebuilds itself with. Take away that nourishment by letting the blood run down in quantity and quality and you take away the power of an organ or tissue to resupply waste or rebuild itself. In other words the system starves color, appetite, steadiness, energy, vigor, vitality all are lost and a condition of mental and physical prostration sets in. This condition the Dr. A. W. Chase Pills positively cure by their power to manufacture good, rich, nutritious oxygen carrying blood, a blood that carries to every organ the very material it lives and thrives upon.

Miss Elsa Faiser, of No. 43 Main St., Oneonta, N. Y., says: "Last summer I was in bad shape—all run down in health—no appetite and poor digestion—I did not sleep well and felt tired and languid all day. I was pale and the circulation was poor—I doctored all summer with no improvement. Seeing Dr. A. W. Chase's Nerve Pills recommended I got a box and used them and they thoroughly cured me—no more dullness or headaches—sleep sound and refreshing—appetite good—digestion perfect—blood rich—circulation good—color excellent, in fact vigorous and strong in every way. I can't speak too highly of the medicine as it certainly is a grand one."

A NERVE TONIC NEVER EQUALED



THIS SHAPED BOX—NO OTHER

Fort Wayne, Indiana.

Mrs. Julius Howenstein, of No. 113 Lewis street, Fort Wayne, Ind: "Dr. A. W. Chase's Nerve Pills are just fine. I was all played out, way down and weak. The heart action was bad and my sleep broken both by nervousness and pains about the heart, which made me get up and walk about. The Nerve Pills were given me and today I feel finely—my nerves steady—my sleep natural—the heart action regular and strong—not a pain or an ache anywhere, in fact in the best of condition. I am only too glad to say that this fine medicine I got at Meyer Bros. & Co.'s drug store was the means of pulling me in such splendid health."

BANQUET AT NEUMEIER HALL.

The smoker and banquet at the rooms of the East Car Shops Athletic association, in Neumeier's hall, last evening was attended by a crowd which comfortably filled the spacious hall and was one of the most pleasant affairs of its kind held at that place. A sparring match between two members of the association was enjoyed by the spectators and then the meeting resolved itself into a social session, with Councilman Ed. C. Miller as toastmaster. Among those who responded to calls for toasts were Hon. J. M. Robinson, Mr. Adams, president of the club; Mr. Kramer, the secretary; Councilman Fred Gombert, Mr. Peter Henkenius, Mr. H. T. Hogan, Mr. Henry Hilgemann, Mr. W. J. Lonegan. During the evening some donations for the coming field day were received, among them $10 from Hon. J. M. Robinson and casting rod by Mr. Henkenius. A string band and a colored quartet contributed considerable towards the entertainment of the guests.

DEATHS AND FUNERALS.

DEUTSCHEL.

Marie Cecelia Deutschel, infant daughter of Mr. and Mrs. Andrew Deutschel, of 420 Hoffman street, died at 12:15 o'clock this morning from brain fever, at the age of fourteen months.

Funeral services will be held Thursday afternoon at 2 o'clock from the Church of the Precious Blood.

HISER.

Mrs. Sarah O. Hiser, wife of Samuel A. Hiser, died Tuesday evening at the family home, 335 West DeWald street, after an extended illness. Mrs. Hiser was born in Lagrange August 18, 1867.

Funeral services will be held from the residence Thursday afternoon at 2 o'clock.

FUNERAL NOTICES.

Ryan.—Funeral services of Mrs. Florence C. Ryan will be held from the Cathedral Thursday morning at 9 o'clock.

Hilbrecht.—Funeral services of Mrs. Henry Hilbrecht will be held from the residence, 442 East Berry street, Thursday afternoon at 2 o'clock.

The funeral services will be private.

MATCHES CAUSE A BLAZE.

Fire in the residence at 912 Thomas street, owned by J. Sullivan and occupied by H. Fink, caused a loss estimated at $25 this morning, but the fire department quickly quelled the blaze. The fire was in a closet, and the cause is ascribed to matches which became ignited in some unknown manner.

WILL GIVE A CONCERT.

The Young Ladies' Society of Zion's Lutheran church will give its annual concerts on the evenings of May 6 and 7, in the hall on Force street. They have arranged an excellent program and will doubtless have a large audience each evening.

LOCAL NEWS.

Mrs. Gustav Stiglitz and baby daughter, of Bedford, Ind., are the guests of Mrs. Stiglitz's parents, Mr. and Mrs. H. T. Hogan.

A linen shower was given at the home of Miss Maude Roberts, on Monroe street, last evening in honor of Miss Ada Meer, who is soon to become the bride of Walter Kensill. Progressive flinch was the principal amusement of the evening, followed by a two course luncheon. The affair was a surprise upon Miss Meer.

KILLED BY HER HUSBAND.

Galesburg, Ills., April 29.—Mrs. Ed Morrisson was shot and killed by her husband at Henderson last night. The husband levelled a shotgun at her brother Frank Cronkhite, in a quarrel and she jumped between the two men and received the full charge. Both men are under arrest.

NEWS OF THE POLICE.

POLICE NOTES.

The only case before Acting Judge Harper this morning was that of the state vs. Christian Horstman, charged with intoxication and profanity. These cases were continued from yesterday morning, but on account of the absence of witnesses neither party was ready for trial today and the hearing was again postponed until tomorrow morning.

Mrs. Pheightner, of West Washington street, complains that in various parts of the city where she has been erecting houses she has been annoyed by men and boys, who persistently steal lumber from her. The police department has promised to give her lumber piles special protection.

The family of Charles Franks living at 1010 Cochrane street are alarmed at the protracted absence of the husband and father who has been away from home for three days. Franks is a man who sometimes indulges in too much drink but has never been known to absent himself from home for even a night unless informing his family of his whereabouts. When he left home he had about $50 in his possession and his family fear that he has met with foul play; he is about 45 years of age.

J. J. Burns of 232 East Main street says that he has been robbed of a bright ten-dollar note. Mr. Burns is a plasterer engaged on a job on Holton avenue. Yesterday while at work some one entered the house and touched the pockets of his trousers which he had hung up in an adjoining room.

"Fred and George" have been relegated and henceforth it will be "Bess and Dick" at police headquarters stables. Yesterday the purchase of a team of horses from J. Erwin of Monroeville was consummated by Superintendent Gorsline and the animals were immediately installed to do patrol wagon duty. They are a mare and horse aged 4 and 5 years respectively and weigh about 1200 pounds each; the purchase price was $387.50. Almost immediately the old team which has not missed a run in eight years, excepting during the last month, was sold to Theodore Robbins of New Haven for $185. The new animals were christened last evening, one in honor of Miss Mannix, clerk of the board of works, being named "Bess" and the other just plain "Dick."

The police are looking out for a 15-year-old lad named Frank Fast who is wanted at Delphos, O.

Well Made and Lasting

are the garden implements that we have to sell. They do their work properly. You cannot expect to have your garden in a fine condition unless you use the best tools. We have the best, and at reasonable prices. A hardware store needs no better recommendations than a high grade of goods. High grades do not always mean high prices here. Good hardware is worth a good price, but we ask no more for our goods than a fair an honest profit will allow. See our line of Sprayers. You'll need one soon.
